

STUDENT SUPPLIES

While this is certainly not a complete list of everything students need to be successful at Boston Collegiate Charter School, the following is a list of supplies all students are expected to have by the first day of school:

- 2 ballpoint pens, blue or black ink
- 2 pencils, yellow or mechanical
- 1 yellow highlighter pen, any size tip
- 2 packs of wide-ruled, loose-leaf paper, at least 100 sheets in each pack
- 1 one-inch, 3-ring binder, plain cover (**5th Graders need 3 binders**)
- 1 composition notebook, black or green marble
- 1 2-pocket folder (*Middle School only*)
- silent reading book (to be kept with students at all times for Silent Sustained Reading, in case an exam finishes early, etc.)

Student book bags and backpacks should look professional and be reflective of the scholarly effort and hard work we expect from all students.

The school will also be asking each student to purchase a specific calendar/organizer that will help students keep track of assignments and when things are due. Students will be able to purchase the calendar/organizer through the school.

Please note that there may be additional items students will need to bring to school after the start of the year and as the year progresses, but please make sure that at the very minimum, the above items are purchased by the first day of class. Students should also feel free to bring their favorite school supplies if they do not find them on the list above, though good judgment should determine the appropriateness of such items.

We encourage all students not to bring non-essential items of value to school – monetary or otherwise – since they cannot be securely stored. Students who bring inappropriate items to school, including, but not limited to, toys, hats, walkmen, CD players, laser pointers, beepers, pagers, and cell phones, will have such items confiscated. A parent or guardian must come to the school to retrieve the confiscated items though the school will hold onto any such items for at least one week or longer after it has been taken away.

In the high school, students will be assigned an unlocked locker for which they will be responsible for the duration of the school year. Under no circumstances may a student install a lock on their school-issued locker. Students who do so will not only lose the privilege of having a locker but will face further disciplinary action as well. Appropriate school personnel can inspect lockers (please see the Building Safety and Security—Student Searches section). There are no lockers or secured storage spaces for middle school students other than unlocked cubbies in each classroom.
