Pop Warner Fight

By ALANNI B. POWELL

Two Sundays back the Pop Warner game took place in Burlington. West Lynn Rams vs. the Mattapan Patriots. West Lynn was up by a tremendous sum. Nothing that bad had happened so far until I saw the helmets from both teams fly off in rage. I saw fist and feet spring at each other and land on opposite teams. I heard many stories of how West Lynn players threw the first punches. The disappointed Mattapan coaches led their squads on the bus back home. Every inch of the way coaches screamed at their players. And my family traveling close behind rolled on and on silent.

Ask Olivia

By OLIVIA L.

Dear Olivia,

I like drawing and I think I'm a good artist. But I've heard other people make fun of my drawings and things together it really makes me upset and hurts my feelings. They say my drawings stink.

What should I do????!!

Sincerely,
I CAN'T draw!

Dear I CAN'T Draw,

If people are saying your drawings stink and you hear negative comments, you should ask those people why they think your drawings stink. Listen to their comments and don't take it personally. Just block out all of the negative comments. Continue to draw and be proud of your drawings. If this happens to you in school you should tell a teacher. Tell her the honest truth of what happens.

Sincerely,
Olivia
