

Welcome BCCS Families!

Enclosed are the medical forms necessary for your child's attendance. **All health forms must be completely filled out and returned by the first day of school to the school nurse.**

**Emergency Card –DOUBLE SIDED:**

In case of an accident or medical emergency this information needs to be filled out completely to ensure your child's well-being if one should occur.

**Authorization to Dispense Prescription Medication Sheet:**

If your child is taking prescription medication during school hours, we must have the attached form signed by the prescribing clinician and parent. This includes:

- Epi-Pen
- Inhaler (including attached asthma clarification form).
- Any other prescription medication to be administered in school (e.g. Ritalin, Adderall).
- *After form is completed, medication must be provided to the school in the original prescription bottle or box.*
- *If your child has a prescription Epi-pen, you do not need to provide it for BCCS during school hours. Each nurse's office will stock Epi-pens. However, an Epi-pen must be provided for any field trip your child attends. A field trip only Epi-pen may be held in the nurse's office and/or sent in with your child on the day of a field trip.*

**Physical Examination and Immunization Records:**

- NEW students must have a physical exam on file within the last 12 months.
- RETURNING students need a physical exam within the last 3 years.
- Students who plan to participate in sports need a physical exam within the last 12 months.
- ALL students need up to date immunization records.

Thank you for your attention and cooperation. We look forward to caring for your children next school year.

Sincerely,

Jennifer Ryan, BSN, RN  
Middle & High School Nurse  
School Nurse Leader
