They will be equipped not only to go to college, but to thrive there. They will have the skills and the leadership mindsets necessary to make an impact in their communities and beyond. To achieve this vision of our graduates, Boston Collegiate will be a leading school in academically rigorous, equitable, and inclusive educational practices in Boston. Boston Collegiate will create opportunities for each student to thrive and cultivate the unique talents that each student brings. Boston Collegiate will be a beacon of the twin pillars of scholarship and belonging, and thus a national model for what integrated education can look like at its best.
