We earn 10¢ for each Box Top donated to our school. We have three parent volunteers who count and turn in Box Tops for us (Lower, Middle and High School.) This past year, we earned almost \$1,000 for special student events. Please consider saving Box Tops from any products you usually buy and turn them into the Main office through your child's advisory. Please remember to put your child's name on them as we often have special prizes like a no-uniform day (tag day) for students who donate them.
